CARE INSTRUCTIONS:

Use a mild liquid detergent and machine wash separately in cold water at full water level. Do not use fabric softener dryer sheets or dryer bars. Remove promptly. Do not let sit after spin cycle. Tumble dry with low heat and hang to dry. DO NOT DRY CLEAN.

GARMENTS WITH SPECIALTY FABRICS, RHINESTONES, HEAT TRANSFERS, SPANGLES, AND/OR THREADLESS SEQUINS:

Use a mild liquid detergent and machine wash separately, inside out on gentle cycle using cold water at full water level. Do not use fabric softener, dryer sheets or dryer bars. Remove promptly and hang dry. Failure to do so may result in loss of rhinestones, heat transfers, spangles, and/or treadless sequins. Innovative Spiritwear is not responsible for rhinestones, head transfer and/or threadless sequins falling off. Complete shrinkage and colorfastness cannot be guaranteed because of different laundering processes and absorbent qualities of fabrics. DO NOT DRY CLEAN.

GARMENT WITH EMBROIDERY:

Due to fragile nature of embroidery, special care is needed. Use a mild detergent and machine wash separately in cold water at full water level. Do not use fabric softener, dryer sheets or dryer bars. Remove promptly. Do not let sit after spin cycle. Failure to do so may result in bleeding of embroidery color. Tumble dry with low heat or hang to dry. Therefore, we cannot guarantee durability of embroidered garments. DO NOT DRY CLEAN.
